The following items shall take precedence over the drawings and specifications for the above-named project and shall become a part of the contract documents. Where any item called for in the specifications, or indicated on the drawings, is not supplemented hereby, the original requirements shall remain in effect. Where any original item is amended, voided, or superseded hereby, the provisions of such item not specifically amended, voided, or superseded shall remain in effect.

General:

1. Bidders are hereby advised that information from bid documents which are not received from the Architect are not legitimate and the bidder accepts full responsibility for any differences. GMC has not authorized the scanning of the documents. Bidders should be aware that the plans are copyrighted, and any unlawful use is subject to legal action. Bidders are further advised that the use of partial bid documents is not recommended, and bidders will be responsible for any discrepancies which might have been avoided had a full set of documents been reviewed.
2. Partition supporting structure design and supporting structure to be provided by partition manufacturer, subcontractor, or contractor as needed. Please see the Project Manual, Section 10 22 39, 2.5 Suspension Systems for further requirements.
3. The general contractor shall be responsible for field verifying the species and color of all existing interior wood doors and ensuring new doors match.

Drawings:

1. On Sheet A8.01 Finish Legend & Schedule, modify Room Finish Schedule as follows: 147 Partition and 148 Lecture Hall Floor should be CPT-1B.
2. On Sheet A8.01 Finish Legend & Schedule, modify Room Finish Schedule as follows: Delete Room 103A.
