## HIGHLIGHTS & OPPORTUNITIES

There's always a need for nurses, and SCC's nursing program is a strong first step towards joining the rapidly growing field of healthcare. After completing one of our two nursing programs here at Spartanburg Community College, you can supply your community with the medical care, help and the healing that they deserve.

## Job Opportunities:

- Clinics
- Community Agencies
- Hospitals
- Longterm Care Facilities
- Physician Offices
- Private Care

## Program Highlights:

- SCC is now a TEAS Certified Testing Center!
- Our nursing program is ACEN (Accreditation Commissions for Education in Nursing) accredited!
- Finish the LPN (Licensed Practical Nurse) program in just one year.
- Become an RN (Registered Nurse) in less than two years.
