

TYGER RIVER CAMPUS

SCC's Tyger River Campus, conveniently located in Duncan off Highway 290, offers academic and business support by connecting students with local businesses. It creates the perfect relationship for workforce development.

It's home to the Spark Center SC, a center for business development and incubation.

This campus offers flexible college credit courses and workforce development options.

Tyger River's campus supports the industrial marketplace by offering customizable training programs for businesses.

1875 East Main Street, Duncan, SC 29334
